1982 Pyramid Dedicated to Mrs. Wilson

Mrs. Wilson figures students' credits from grade cards.

Some people, some teachers must demand respect at every turn in order to try to get students to act appropriately. These people, these teachers often have a difficult time and face a seemingly endless hassle with students. Ohter people, other teachers command respect because of the way they handle themselves in many situations. These people, these teachers have very few difficulties and get along well with students. In fact, they are often called upon to solve the hassles which exist between the first kind of teachers and students. The kind of person, the kind of teacher who gets along well with students and faculty and is described as problem-solver, counselor, and friend is Mrs. Lularose Wilson, to whom the 1981-82 Pyramid is proudly dedicated.

Students, faculty, and community members alike recognize and respect the high standards by which Mrs. Wilson conducts her personal and professional life. She is well-known in the community for her dedicated service to her church and to her job as guidance counselor at Pinckneyville Community High School. Her strength and faith in the face of adversity (and she has certainly had more than her share) are as widely known and respected as her dedication. Though she has been faced with many difficult times and hardships in her personal and professional life, she continues in her straightforward manner to conquer all obstacles.

Mrs. Wilson's teaching career has covered over thirty years. She did her undergraduate work at SIU-C, receiving her Bachelor of Science degree in secondary education in music and English. She taught for three years in grade school in Hurst Bush. Mrs. Wilson joined the PCHS faculty in 1954; her first teaching assignment was Junior English and chorus. At that time, those subjects were taught on the first floor in what is now the business education rooms. Chorus sometimes met in that room, sometimes in the auditorium, and met during noon hour in some years, after school in other years. Despite these potential conflicts, Mrs. Wilson kept many students involved in choral music, including participation in fine Broadway musicals such as "Bye-Bye, Birdie," "Pajama Game," "Girl Crazy," "Annie Get Your Gun," and "Oklahoma." In addition to these responsibilities, she has also sponsored cheerleaders, Future Teachers of America, and the National Honor Society at various times during her career.

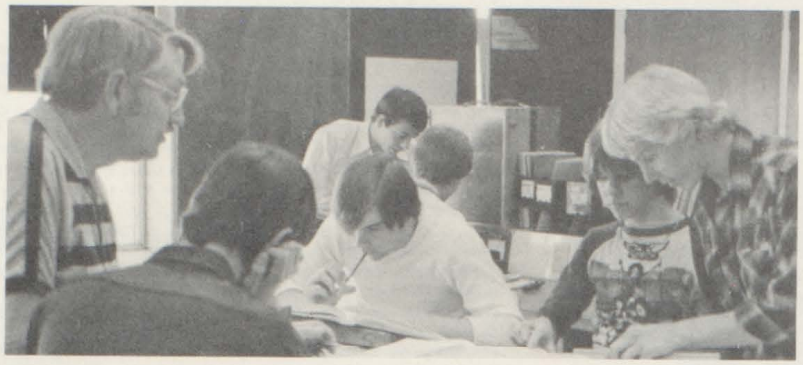

While keeping her busy teaching schedule, Mrs. Wilson also found time to continue her education. She received her Master's degree in Guidance and Counseling from the University of Illinois at Urbana. This qualified her for her present guidance counselor position. Her main duties now include testing, advising students registering for classes, helping students with college and career choices — especially assisting students in the necessary steps in college application/registration and in scholarship application, and general counseling of students with problems related and "un-related" to school.

Mrs. Wilson's school schedule remains busy, yet she maintains some special interests outside of school. In addition to her church work already mentioned, she particularly enjoys visiting her two grandchildren, Brian and Brooke of Jackson, Tennessee. As well, she likes to cook and to travel.

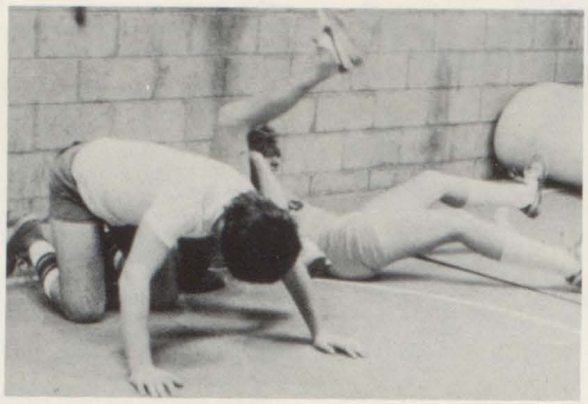

In these areas of interest and in her work, Mrs. Wilson is noted for her special, caring approach toward people and her uncanny perseverance, strength, and faith. In all that she does she commands respect from students, faculty, and community members. So it is with all due respect, this year's yearbook staff is proud to dedicate the 1982 edition of the Pyramid to Mrs. Lularose Wilson.

The Year 1981-82

A person may think that when the staff of a school stays the same from one year to the next, the school would not change very much. PCHS did begin the 1981-82 school year with the same staff that ended last year; however, the school did change a great deal in many different areas.

The Board of Education of Pinckneyville Community High School District #101 underwent some changes, and as the governing body of the school, it made the final decisions which brought about other changes. The staff, the community, and the school were all affected in the fall by one sudden change, the fatal heart attack and tragic death of Board member Mr. Charles McKinney. Mr. McKinney, "Chuck" to his many friends, was a well-respected Pinckneyville businessman, civic leader, and President of the Pinckneyville Community Hospital Board in addition to being a high school board representative. His position on the School Board was filled by Mr. Bob West, who had formerly served on the Board in the 1960's and 1970's. Another change in the Board occurred when Mr. Jim Bauersachs was elected, along with incumbent Mr. Charles Thomas, in the November election. Mr. Bauersachs occupied the position formerly held by Mr. Stuart Wright.

The teaching staff also began the year as it had ended last year. Teachers completing their second year in the district were granted tenure contracts; these included Mr. David Brunty, Mr. David Colombo, Mrs. Neva Corn, Mrs. Linda Johnson, Mr. Larry Pfau, and Miss Linda Rudolph. In the spring, the accidental death of Mr. Thomas Shea changed the faculty, and again the staff, the community, and the school felt the loss due to tragedy. Mr. Shea's classes in the Mining and Reclamation Department were led by Mr. Sam Loiacano, who was hired as a "permanent substitute" for the last six weeks of school.

While the staff underwent sudden, unexpected change, the school building and the curriculum saw a number of planned renovations and alterations. The major renovation project within the school was in the Girls' Gym area. Other projects and changes in the building and in the curriculum were related to this change, and many changes, independent of the renovation project, also took place.

On the west side of the Girls' Gym in the area formerly occupied by the student lounge and the photography lab, a girls' physical education locker room was built. On the east side in the area that was the p.e. locker room, a girls' athletics locker room was built. Room 18 on the second level of the gym was converted into a photography lab, so Mrs. Sheley needed a new space for her Individualized Instruction students. The former Language Lab on the third floor became that new space and also housed the new computer added to Miss Ortolan's Title I Remedial Reading and Math Program.

Better utilization of space and a response to the "information glut" prompted some changes and additions in the library. The most notable change was the creation of a second office in the back part of the library. This housed a number of the library additions, including microfiche readers, storage files, and a printer of magazine articles from microfiche. The addition of storage shelves in the same area also freed a great deal of the audio-visual equipment to be stored in places other than in Mrs. Wilson's guidance office.

Alterations in the curriculum were many. Among the major changes were the expanded course offerings through semester classes at the junior and senior levels in English. The traditional English 3 and 4 classes gave way to such courses as Introductory and Advanced Expository Writing, The Novel and Important Works, Heroes in Literature, Survey of American Literature, Selections in English Literature, and English for Careers. Many of these courses integrated juniors and seniors into English classes for the first time. Also, the addition of computers in the Business Education Department expanded their curriculum to include classes in basic programming. The Social Science Department enrolled more students with an increased emphasis of the freshman level social science course. As well, the Science Department expanded its offerings with the addition of a course in Human Anatomy and Physiology.

Along with all of the building and curricular changes that the Board approved, a couple of policy changes were instituted and reinstated. A new absence category, the approved absence, was initiated to cover students' absences approved by the parents yet falling between the excused and unexcused absences that remained part of the school attendance policy. Due to interest expressed by a number of senior class members and to help emphasize academics, the Board also reinstated a policy of recognizing the class valedictorian and salutatorian at graduation exercises. The students with the highest and the second highest overall grade point average will receive such recognition.

Thus, the ending of the year, graduation, contained change, much as the rest of the 1981-82 year revealed change, though that certainly wasn't how a person would have thought of the year when it began.

Sophomore Class Officers: **(left to right):** Colleen Hiller, President; Brian Voorhees, Vice-President; and Cheri Thomas, Secretary-Treasurer.

The Sophomore class started their second year at P.C.H.S. by taking part in the Homecoming festivities. They elected Colleen Hiller, Cheri Thomas, and Brian Voorhees as class officers and Darcy Andrews, Mary Hagene, Angie Lambert, Dana Morgenthaler, and Brian Voorhees as student council members. Darcy Andrews, Mary Hagene, and Gayla Miller represented the sophomore class as Homecoming Queen candidates. They were represented by Joan Kellerman and Dean Boismier at the Christmas Dance.

The members of the sophomore class took the ASVAB interest tests, and they were all glad to receive their driver's licenses. Toward the end of the school year they sold records and tapes to raise money. Some of the sophomores were honored by being chosen to serve at the Prom. The sophomore class looked forward to their two reamining years at P.C.H.S.

Juniors Reach for "Rainbow's End"

The 1981-1982 Juniors began the year by taking part in the activities during homecoming week. Junior Class member Michele Hanks was elected Homecoming Queen. The Juniors were very busy as the year progressed. Class rings were purchased, calendar girls were chosen, and the Junior Class Congress was elected. The Junior Class was represented at the Christmas Dance by Donna Hicks and Scott Long who were crowned queen and king. The Juniors earned money throughout the year by selling key chains, bumper strips, posters, and an assortment of gifts. This money was used to help pay for the prom, "Rainbow's End," in May. The Juniors are looking forward to their senior year and to their future years after they leave P.C.H.S.

Rifle Corps members and the Pom-pom squad lead the band in halftime festivities.

The various aspects of participation in the Marching Panthers include inside and on the field rehearsals, performances in parades, field shows, and before football games, and sometimes "clowning around" during halftime shows.

Parades, field show competitions, and halftime show are all part of the Marching Panthers' busy schedule.

On August 11, the 1981-82 Marching Panthers started preparing for their marching season. Along with this, they rehearsed two hours every Tuesday evening.

Marching with 108 participants, the band competed in six parades; among these they received one Best Musical Group, one third place, and one fourth place award. On their agenda were three field competitions in which they received one first and one second place. At the I.S.U. Field Competition the band did well in receiving a fifth place in the Class B bands and sixth place in the small school class consisting of 25 bands. The Marching Panthers also played at four home football games (including pre-game and half-time performances).

The Panther Pep Band played at nine home basketball games as well as pep assemblies. The pep band practiced before the games and always played a well-rounded style of music. The students that participated in this group are full of school spirit, and they showed this to the audience at every game.

A select group of the 54 volunteers in Pep Band recorded a tape that would give them the opportunity to play at the state basketball tournament. The "Peppy Panthers" were included in the "Sweet 16" group of bands, but didn't make the final cut. The Pep Band also was chosen to play at a SIU-C home basketball game.

After auditions were over, the Concert Band started preparing for the many activities that they do. These included: Christmas Concert, Winter Concert, Tri-City, IHSA Solo & Ensemble Contest (18 — first places and 3 — second places), IHSA Organizational Contest (a 1st place), and the Senior Recognition Concert.

Three students were selected to be members of the District IMEA Band. These students were: Barbie Thomas, Mark McClurken, and Rob Phillips.

The Band Officers for the 1981-82 season were Mark McClurken — President, Stu Wright — Vice President, Shari Caupert — Secretary, and Gail Pyatt — Treasurer.

The P.C.H.S. Band will be guests at the 1982 World's Fair in Knoxville, Tennessee. Their stay will be from June 22-25, 1982 at which time they will march in a parade and enjoy the fair.

Chorus is a group that tries to serve the community as well as learn the different aspects of singing. The Chorus performed at the Perry County Nursing Home and at a ladies night at the Lion's Club. They also sang on the radio station WHCO during the Easter Seal Radiothon. As well as their community work, the Chorus performed in the Christmas Concert, the annual Senior Recognition Concert, and the Baccalaureate for the seniors. This year the Chorus attended Powell Symphony Hall in St. Louis to hear excerpts from the "Messiah" by the St. Louis Symphony.

National Honor Society Recognizes Top Juniors and Seniors

Each year the Helen Kuykendall Chapter of the National Honor Society selects Juniors and Seniors who have achieved an accumulative grade point average of 4.7 or above as its members. They must maintain at least the 4.7 average to remain in the organization.

Usually meetings are held several times throughout the year, but due to unforeseen circumstances the group could only get together a couple of times this year. A decorated car was entered in the Homecoming Parade however.

Members not in the group picture are: Dawn Andrews, Belinda Chapman, Chris Stewart, Thorn Keene, Kent Lindner, and David Loos, Michael Brand, Steve Carney, Van Craig, Kevin Hiller, Michelle Leber, Alex Robertson, Barbi Thomas, Vincent Cacioppo, Beth Emling, Tim Graton, Lisa House, Kathy Kellerman, Lisa Kellerman, Scott Long, Angie Lucker, Mary Martin, Sherry Mohr, David Phillips, Kay Pyatt, Claude Rains, Brooke Walton.

Student Council Makes Homecoming a Success

Student Council's main responsibility each year is to sponsor Homecoming activities in the fall. They organize the parade, choose the theme for each day of Homecoming Week, and decorate the girls' gym for the dance. This year Council members were able to see the parade through — last year it was cancelled because of rain.

In past years they have maintained the student lounge, but due to the building of a new girls' locker room where the lounge used to be they no longer have that task. Senior students eligible for lounge go to the library.

Student Council Officers are: Bernard Mann, President; Kerry Graskewicz, Vice-President; Shellie Kuhnert, Secretary/Treasurer.

Student Council Members: **Front Row:** Kerry Graskewicz, Bernard Mann, Jerome Kellerman, Brad Shotton, Bobby Jo Yates, Brian Voorhees. **Back Row:** Lara Wilson, Julie Pursell, Mary Beth Hagene, Darcy Andrews, Shari Caupert, Pam Chapman, Kay Pyatt, Marilyn Jurkowski, Tonya Hull, Donna Hicks, and Tricia Pursell.

Congress Officers: **Sitting:** Kay Pyatt, Vice-President. **Standing:** Keith Hagene, President; Donna Hicks, Secretary/Treasurer.

The number of Congress members changed from 25 to 15, but they were still elected by their fellow classmates early in the year. Mr. David Brunty has taken over as advisor.

The group's main purpose is to raise money for and organize the Junior/Senior Prom. All members of the Junior class participated in selling posters, gift items, bumper stickers, and key chains to raise money. The Congress chose several theme ideas from which the Junior class voted "Rainbows" to be the 1982 Prom theme.

Sherry Sroka Elected FHA State Vice-President

FHA had a busy year and began doing their activities early. They sponsored a Back-To-School Dance, sold Treasure Chests to raise money, and held the Annual Slumber Party. In the PCHS Homecoming Parade, the FHA float won third place.

Other activities were the Cooking and Do-Your-Own-Thing Contests and the Mother-Daughter Banquet in which mothers and their daughters model clothes and then have a meal. FHA sponsored the Country Western Dance, the Christmas Dance, and the Spring Dance. Again this year, FHA sponsored a Skat-A-Thon.

FHA members competed in the Region Rally held at Carbondale, and at the Section Rally at DuQuoin. Two new Section Officers were elected from our school this year: Lisa Whitson, Vice-President; and Angie Lueker, Secretary.

Some FHA members attended the State Conference in Springfield and FHA also held an Awards Banquet. Sherry Sroka had a fine year as FHA State Vice-President and PCHS was very proud of the job she did. FHA had an active and productive year.

VICA (Vocational and Industrial Clubs of America) is associated with the Mining and Reclamation class as well as the industrial classes. The group is in its third year and Co-Advisor Ray Lambert felt that they have come along well in that time. He was pleased to have 11 boys qualify for State in Diesel Mechanics division and three boys under supervision of Glen Hamilton qualify in Electrical Trades and Industrial Electronics. Mr. Lambert said they are long on competition, but short on leadership in the club which involves learning organization at meetings, and competing in contests such as essay, reporting, and scrapbooks that members put together to illustrate their projects and knowledge.

In March members competed in areas such as Welding, Mechanics, Drafting, and Electrical Trades at the Region 16 competition.

The VICA Banquet held in May honored the industry, school personnel, the community, and members for their activities and accomplishments in the past year.

These members went to the Springfield State Skill Olympics and Convention in April: Dave Degenhardt in Electrical Trades; Ron Parsell and Greg Epplin in Industrial Electronics; Fred Kellerman, Leo Suchomski, Bill Wilcox, Claude Rains, Jim Schwarz, Kenny Loos, Don Hill, Dave Toler, Dave Miller, and Cliff Miller in Diesel Mechanics. Brad Weisel, Rick Garner, Jeff Pritchett, Mark Williams, Bruce Peradotto, and Scott Kreger were the delegates representing Pinckneyville. Brad Weisel constructed a tiny mining operation to compete in the suitcase display. Each competitor who wins a first place will go on to compete at the National level in Louisville, Kentucky during the summer.

Planning a very busy year is what sponsor, Mrs. Carole Black has done. The French Club held their annual pastry and crepe sale at Mardi Gras, participated in their own cooking contest, and decorated a car for the Homecoming Parade. Mrs. Black also reorganized the French Honor Society.

With the Spanish Club they went to West Port Plaza in St. Louis at the beginning of the year. They helped sell and deliver red and white carnations for Valentine's Day. The club attended the Foreign Language Day at SIU-C on April 27, where a group of French students sang. They ended the year by having a spring picnic and electing officers for 1982-83.

French Club Officers: **(l to r) Sitting:** Darcy Andrews — Historian, Kevin Hiller — President, Dawn Andrews — Secretary-Treasurer. **Standing:** Bernard Mann — Activities Chairman, Alex Robertson — Vice-President.

The Spanish Club, sponsored by Mrs. Elaine Dailey, started the year by putting up a stand and selling tacos and burritos during Mardi Gras. They also decorated a truck for the Homecoming parade, and treated themselves to a dinner at West Port Plaza in St. Louis.

A foreign exchange student was one of the club's highlights; her name was Isabel Peacock. She stayed with Bev and Mindy Moritz for three months and volunteered her services as a guest speaker for all of the Spanish classes.

The Spanish Honor Society grew in size this year as sixteen new members were selected. They elected officers for the 1982-83 year and chose Barbie Thomas as the "Best Spanish Student."

With the French Club, they sold red and white carnations for Valentine's Day, attended a foreign-language day at SIU-C, and had a spring party to close the year's activities.

Nurse's Aides: **(Left to right):** Karen Ausmus, Paige Presswood, Donna McKinstry, Denise Kujawa, Carla Lukes, Margaret Mann.

The Nurse's Aides are volunteers that help in the Nurse's Office during their study hall time. They administer minor first aid and take temperatures. They keep daily records of students coming to the Nurse's Office and then notify the main office of the students' presence. These girls do whatever is needed, which might include small clerical tasks.

Library Staff: **First Row (Left to Right):** Laura Brand, Cindy Owens, Steve Carney, Jerome Kellerman, Donna Epplin, Ron Parsell, Doug Thomas. **Second Row:** Cathy Valentine, Janice Bathon, Carla Lukes, Sandy Newton.

The Library Staff is a group of students who help the librarian, Mr. David Columbo. The members keep track of books distributed throughout the school. They write out overdue notices and pass them out. They have meetings to discuss library use and also have parties during the year.

Panthers Repeat as Eldorado Champs

Darren Hopp — free throw percentage leader

The 1981-82 basketball Panthers were a team of surprises. At season's outset, very few people expected a great deal out of this "unknown" team that was following the super (as in super-sectional) team of a year ago. Though they didn't match the 29-4 record of 1981, the 23-8 record for 1982 was certainly respectable, and the season had some fine moments.

Among the fine moments was the Panthers' successful defense of their Eldorado Tournament championship. Wins over Meridian, Anna-Jonesboro, host Eldorado, and cross-county rival DuQuoin — in an exciting overtime match — sent the championship trophy home to Pinckneyville for the second straight year.

Close games dominated the mid-season Benton Tournament, where the Panthers finished in a second place tie. In the round-robin affair, Pinckneyville won a one-point game against Cairo, lost a hard-fought, double overtime game to Edwardsville, had a relatively easy ten point win over Olney, then won an overtime thriller over Okawville, only to lose to the host Rangers in the final game.

The exciting moments didn't end there as the conference race was yet to be decided. The Panthers had some chances throughout the season to take over the top spot and stayed in the race until the final weekend of the conference season. Eventually, the Panthers finished behind Nashville and DuQuoin for third place in the tight Southwest Egyptian Conference.

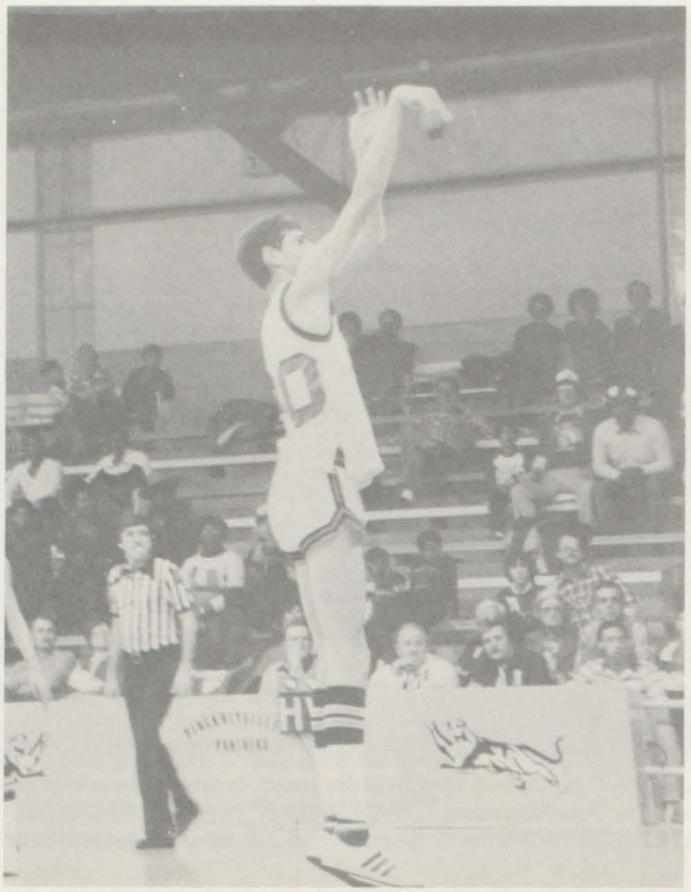

The season's excitement wasn't over, however, as the Panthers entered regional tournament action. They rolled over Steeleville and Sparta in consecutive twenty point wins to claim their seventh consecutive regional title under Coach Dick Corn. On to the sectional, the powerful Panthers advanced to the finals with a surprisingly easy victory over Freeburg. The season's excitement and surprises ended in the championship game as the Panthers faced rival Okawville in the sectional final for the third consecutive year. In the annual trade-off of sectional championships, it was the Rockets' turn to take home the title as they blasted the Panthers to avenge last year's defeat as well as Pinckneyville's win over them in the Benton Tournament.

The 1981-82 Panthers, the "Team of Surprises," had provided loyal Panther-backers with plenty of excitement in completing Coach Corn's fourth consecutive twenty win season and were only one victory away from last year's supersectional finish — a fine showing for a team that few people expected to be so successful.

Diane Brand and Kenny Downen were both awarded first place gold medals — Diane in her division of the softball throw and Kenny in his division of the 50 yard dash. David Forys and Frances Pitman each competed in their divisions of the 50 yard dash and softball throw. Although they didn't place, they are recognized for their gallant attempts and for keeping with the Special Olympics' oath: Let me win,
but if I cannot win,
Let me be brave
In the attempt.

These Olympics are truly "special" for they give mentally retarded children and adults the confidence and positive self-image that's associated with success and the attempt for it.

Kenny Downen — 2st in 50 yd. dash.

Diane Brand — 1st in softball throw.

Four Seniors Honored at All-Sports Banquet

Evansville University Coach Dick Walters speaks to the banquet crowd.

They were presented their plaques by last year's recipients, Michelle Bird, David Leahy, and Wade Graskewicz. Michelle also presented Nancy Denman with the Outstanding Senior Girl Athlete plaque. Neal McDaniel received the Democrat's Desire Award from David Leahy, while the Outstanding Senior Boy Athlete plaque was "handed down" from Wade Graskewicz to his brother Kerry.
